Updated Team Official Transfer Policy As per South-West Regional Soccer Association

MOVEMENT OF TEAM OFFICIALS

5.14 A Team Official may not register with another member Club as a Team Official for the same age division, or the next older age division, as they were last registered with in their previous club.

At the discretion of the District, the following exceptions may apply:

- a) The Team Official has not been registered as a team official in the defined birth year for a period of two (2) consecutive years;
- b) The Team Official has moved his/her primary residence, to a location deeming registration with the original club unmanageable, within the preceding twelve month period.
- c) The Team Official choosing to move obtains an official release duly signed by an authorized Club representative to coach the same or next older age division at a different club during the following season.
- d) The Club chose to release the Team Official. The releasing club must advise SWRSA of this fact in writing.

If such individual(s) wishes to appeal to the District Association on the basis of extraordinary circumstances, the appeal must be submitted in writing for consideration.

Soccer! For the fun of it!!
